Dear Dan

Pathfinder Clean Energy (PACE) and the Food Enterprise Park are today launching a virtual pre-application consultation into a proposal for Maleys Solar Farm and battery energy storage, on land off Barnham Broom Road, NR9 5DE.

We have been working with the Food Hub Liaison Group to refine our proposals but a part of the solar farm is located within your parish and so we would welcome input from councillors ahead of a planning application.

You can find out more information on our project website - <http://maleyssolar.co.uk/>

I would be happy to discuss this further, either by phone or a presentation and my contact details are below.

Best wishes

Rob
